WELCOME AT CASTLEFEST 2022!

Welcome at Castlefest! What a wonderful feeling to be able to say
that again. We missed you all so much! Three years ago was the last
time we saw each other here. Three years in which a lot happened and
at the same time so little. Time to make up for all those lost moments!

Castlefest 2022 will on the one hand be slightly different than
earlier editions, but on the other hand the festival grounds and the line-
up both feel like coming home as usual. We have been in hibernation,
but last winter it was time to wake up. Since then we've worked hard to
create a program where we can fully celebrate that we can be together
again.

This year, the Wicker Ritual in the form of The Warrior Spirits
symbolizes the strength to ride your own path, full of life and love. The
herd is there to support you on this path and to carry you when it gets
a bit rocky. This is how Castlefest feels as well: we carry each other to
be who we want to be.

Of course we have a fantastic musical spectacle with both familiar
and new faces. It feels great to have our friends of, amongst others,
FAUN, Rapalje and Harmony Glen back on stage. Next to that we're
very honoured to welcome The Trouble Notes, Nebala and Ritual Duir.
We will guarantee a party with bands as Ye Banished Privateers, The
SIDH and Prima Nocta! Do you prefer something more dreamy and
mesmerising? Make sure to put Cesair, SeeD and EMIAN on your list.
And we're just getting started. Check the time schedule in this booklet
for the complete program.

Up for something else than music? Stroll along the many market
stalls, enjoy the magical entertainment or participate in one of many
workshops. This booklet gives you a guideline to everything that
Castlefest has to offer and you can use the QR codes to find more
detailed information on our website.

For three years, we've been working on the world that means so much
to us all. A world where you can be you, in whatever form that may be.
We're extremely proud that we're able to do this. Welcome at Castlefest,
welcome home!

On behalf of the entire Vana Events Team, we wish you lots of fun!

WICKER RITUAL

The Wicker Ritual is something we celebrate together every year. On Friday and Saturday you are welcome to put a small flammable offering in the Wicker Warrior Spirits. On Saturday evening the Warrior Spirits go up in flames during the ritual. Let go of the old or make a wish for the future.

THE WARRIOR SPIRITS: RIDE THE PATH OF THE ANCIENT SPIRIT

This year we will meet the Wickerman as a pair of horses. They are fierce, wild, but wise. Together in the herd, there is friendship for life and love to carry each other. After Mother Bear had awakened last year and encouraged us to enjoy life again, it is now time to feel the energy of the horse.

Horses have a deep primordial soul. With their roots in both the physical and invisible world, their knowledge exceeds both worlds. In the middle the spirit of life arises, showing you that you can be loyal to yourself, your intuition and inner strength. Strength to fight down obstacles and overcome barriers and strength to show and receive love within the herd.

The horses invite you to explore: follow new roads and experience space, playfulness and the primal force of freedom. Start small, feel their energy: you are loved, have faith in what you're doing. Does your path feel unknown and scary? The herd is here for you. Experience their love: that too is strength. Let yourself be carried, feel each other's warmth. Through friendship and love for each other you will find your way back to the ancient spirit.

The horses will let you ride the waves of life. Their energy will give you the strength to let the waves carry you, to be the waves that wildly choose their own path or to be a tower of strength for the herd within those wild waves. Will you ride along?

PROGRAM

There is so much to see and do at Castlefest. On this page you'll find some of the highlights. Want to know more about these acts or do you want to know what each day has to offer? In the time schedule you can find QR-codes. By scanning these, you can check out the full line-up of that day.

At Castlefest, you can take part in many activities.

Drop by at the Heathen Gang, where life is celebrated every day. In this spiritual village you'll get the chance to get to know yourself and your surroundings in a different way. Throughout the day you can follow many workshops. You can make your own offering for the Wicker Ritual or a powerful talisman for yourself and there are multiple healing and trance journey sessions.

For the young visitors we have the Children's Kingdom, where they can play, craft and go on adventures all day long. And of course, you must not forget about the Kiddy Battle at 17.00h.

Be mesmerized by enchanting body & face art at the Bodypaint area and learn the greatest Balfolk dances during the Balfolk workshop, under guidance of Emelie and with music of Bert Leemans of EmBRUN.

Do you need a moment for yourself? At Lifestyle Plaza you can go for a new hairstyle, facepaint to finish your look, a beautiful henna tattoo or a wonderful massage.

For adventurous beings, we highly recommend a visit to the LARP village and take part in the quest or fight training that are offered here. Or try your luck at archery.

After shopping at the market, enjoying wonderful entertainment and dancing to the music, we can imagine you're in search gaining more in-depth knowledge. At the Castlefest Academy, you can attend interesting workshops, lectures and panels about a range of topics.
