WELCOME TO CASTLEFEST 2023!

Welcome to Castlefest! Over the past year, we have been working hard to organise another wonderful edition for you. Now that the gates of the festival are open, it's time to enjoy everything the program has to offer. It's time to indulge in wondrous and extraordinary acts, listen to mesmerizing stories from the storytellers, raise a toast and dance together, and stroll along the market stalls filled with beautiful products.

This year, the Wicker Ritual is dedicated to The Mother of the Ancestors. Symbolizing the sacred triad found in nature, she carries the wisdom of the past, offering guidance for both the present and the future. Embracing the magical power of this triad, she invites you to go on a quest of self-discovery, while maintaining a deep connection with yourself and the souls who have traveled this path before you. We are curious to discover which of these life's three phases resonates with you the strongest.

You may have already noticed, but this year's line-up looks a bit different from previous years. In our search for new acts, we have come across so many amazing bands, which led us to decide to make more room in our line-up. As a result, most bands will perform only once, giving you the opportunity to discover a whole new array of music. Who knows, you might stumble upon your newfound favourite band this year! Of course, there is something in store for every music enthusiast. If you're into Nordic Folk, you can immerse yourself in the sounds of SKÁLD, Blóð Dýr, and Sowulo. Of course, various pirate crews will also dock at the Castlefest stages, so make sure to catch Barbar'O'Rhum and Pat Razket. For those who love Pagan Folk, you will be in for a treat with Waldkauz, Trolska Polska and FeHu. The Dolmen, Corvus Corax, Reliquiae and Celtica will blow your socks off with their bagpipes and heavy tunes. And this is just the tip of the iceberg...

On top of everything, we have something special on Friday. Especially for Balfolk enthusiasts, the Meadow Stage is fully dedicated as a Balfolk stage that day. Here you can dance all day long to the music of Loogaroo, Sanseveria, Plantec and Ball Noir. Not much of a dancer? This music is just as enjoyable with a drink in the sun!

There is so much to see, do and experience at Castlefest. This booklet provides you with the times and locations you shouldn't miss. Can't make up your mind? We've learned from experience that some of the most magical moments unfold without a plan. We wish you a wonderful time at Castlefest!

Love,
The Vana Events Team

WICKER RITUAL

Every year we celebrate the Wicker Ritual together. On Friday and Saturday we invite you to put a small flammable offering in the Wicker. On Saturday, The Mother of the Ancestors will go up in flames during the ritual. Let go of the old or make a wish for the future.

THE MOTHER OF THE ANCESTORS: MANIFEST IN THE POWER OF MATTER

This year we meet the Wicker as the Mother of the Ancestors. She embodies the triad in nature that, when looking closely, can be seen all around you. Three is a magical number, it provides balance in a world that seems to be moving faster and faster. As a result, we risk losing sight of where we come from. Without the past, there is no present and no future.

The wisdom of our ancestors leads you to your greater potential. From the womb, new life, purpose, and matter arise. The mother is the origin, the source, the matriarch of matter. Your path begins on a path that has been walked many times before you. The experiences of your ancestors give you the opportunity to step into your power and grow. From this path, you can explore new routes, discover your own creativity, and develop your own identity in this world. The connection with your ancestors is important. Without birth, there is no life and no death.

Manifest in the power of matter. Be brave and step out of your comfort zone. Embrace the unknown. Embark on a journey to find yourself. But don't forget to listen to your inner thoughts and soul. Without body, there is no mind and no spirit.

The Mother of the Ancestors embodies the three phases of life. She is the Maiden, the Mother, and the Crone. By bringing the wisdom of the past into the present and future, she invites you to discover and grow. She gives you past, present, and future. She gives you birth, life, and death. She gives you body, mind, and spirit. Feel which phase calls to you the most and experience the connected magical triad of the Mother of the Ancestors.

PROGRAM

Besides the wonderful music coming from any of the three stages, there is so much more to experience at Castlefest. The following pages will tell you about some of the highlights of entertainment and activities. Looking for a complete overview per day? You will find QR codes in the timetable. By scanning these, you can see the full line-up per day on our website.

The Children's Kingdom

The Children's Kingdom is the perfect place to be for the young Castlefest visitor. Participate in exciting adventures or drop by to play or craft. For the very youngest and their parents, there is also a place to retreat from the festival bustle. True to tradition, there is a Kiddy Battle every day at 17.00h, where children compete against adults. Who will win this year?

Heathen Gang

Looking for more spiritual depth in life? The Village of the Heathen Gang offers interesting workshops and activities on paganism and spirituality. Every day at 15.00h they will host a Drum Circle and you are most welcome to join! You can also make your own Wicker Ritual offering, ask for advise and make sure to visit Rineke for an intuitive in-depth face paint experience.

LARP Village

You've probably heard about *Live Action Role Playing*. At Castlefest you have the chance to experience it too. Join a quest or combat training and discover how cool this hobby can be.

Medieval Spectacle

Looking for even more adventure after visiting the LARP Village? At the Medieval Spectacle fields you will travel back to the middle ages. In the encampments of Goedvolk and 't Ambachts Ghylde you will be introduced to life in that era and on the tournament field you will witness knights fighting each other. Very exciting!

For the finest Castlefest merchandise, you can visit the official merchandise stand as usual, but at a new location.

Here you will find items featuring the magical Wicker 'Mother of the Ancestors' and the beautiful limited design by Anette Pirso.

We are also proud to launch our official 2023 line-up merchandise with our brand new logo this year, and have lots more goodies on offer.

Will you come and have a look?

We have a new location!
Find us on the map:

Lifestyle Plaza

This creative Plaza is the place to be if you are in need of some me-time. Gift yourself a massage or let yourself and your outfit shine even more with beautiful make-up, face-art or a new hairdo. A more permanent souvenir of this beautiful weekend is also possible: you can find the tattoo parlour at the Lifestyle Plaza as well.

Bodypaint

The artists at the Bodypaint Gathering will enchant you with their magic of body & face art, making the most beautiful creations. Very special to see, so be sure to stop by for all their activities.

Gamestent

Enter the Gamestent and step into a world of fantasy and adventure! Here you can test your board game skills and immerse yourself in the most fantastic worlds. Whether you are a seasoned board game fanatic or just starting out, the Gamestent is for everyone.

Balfolk

At Forest Stage you can learn all about Balfolk during the Balfolk workshops. Accompanied by Emelie and the music of Bert Leemans you will learn the first steps of these dances. New this year is the Balfolk Friday. On Meadow Stage, you can enjoy as much Balfolk as you want, because this stage will be exclusively dedicated to Balfolk music on this day. Also recommended if you don't want to dance, by the way!

Mead Tasting

There's nothing quite like toasting to life with friends, don't you think? We can imagine you'd love to have some special meads on hand, so you're always prepared for a mead to share! Therefore, this year we are introducing the Mead Market.

In addition to our own Celtic Drinks, you'll find three other meaderies in this tasting tent: De Noordelijke Mederij (NL), Taranartos (BE) and Klatovství Poutníci (CZ). Each meadery will be happy to tell you more about their products, and the best thing: you can try everything!

When you have found a mead that you'd like to bring home, you can order and pay for it on the spot. You will then receive a voucher, which you can use to pick up your order at the car park when you leave Castlefest. Cheers!

Celtic Drinks

Explore the delightful world of mead! At Celtic Drinks, the popular mead-shop of Vana Events, you'll find a delicious selection that ranges from classic mead to exhilarating flavours infused with spices.

At Castlefest you can enjoy a selection from our wide range of meads at our bars. You can find them on the map at:

If you wish to take some bottles home with you, you can taste and order at the new Mead Market at:
