WELCOME TO CASTLEFEST 2024!

Welcome to Castlefest, welcome home! After a year of preparations, it's always wonderful for us to see how the festival truly comes to life. But it will only be complete when the festival gates open and you, along with all the other visitors, step into this world. So, from the bottom of our hearts: we're so glad you're here!

This year, we once again have a fantastic program for you. With this program booklet, we invite you to explore what the coming days have to offer.

Following up on last year, we have invited many new bands to our stage. This means there is something for every music lover. Drift away with the beautiful messages of The Wanderer, the medieval sounds of Datura and Valar, or the dreamy voices of Árstíðir. Do you prefer a heavier type of music? Then you'll definitely enjoy Prima Nocta, Coppelius, and The Groggy Dogs. You can expect an absolute spectacle from the shows of Go_A and Kalandra. But to be honest: all bands offer awesome performances and you can't go wrong. In the time schedule, you can find out who plays when and on which stage.

After last year's success, Balfolk Friday is back! At the Meadow Stage, you can dance all day to the music of Fior, Cardboard Cabin, Hot Griselda, and Kelten zonder Grenzen. But there is plenty of Balfolk to be found on the other days and stages as well. Will you dance along?

Looking for something other than music? Check out the many market stalls, be amazed by unique entertainment, and sit in on a storyteller's tale. You'll find more depth at the lectures and panels in the Castlefest Academy, and there are plenty of wonderful workshops at the Instrument Market and the Heathen Gang.

This year, the Wicker Ritual symbolizes the Corvus. When life feels challenging, the Corvus offers vision and wisdom. He invites you to fly with him and view the world from a different perspective. Will he give you the strength to shed your old feathers?

In this booklet, you'll find all the times and places you need to be. We're proud of this year's program and hope you enjoy it as much as we enjoyed putting it together. Have a great time at Castlefest!

The Vana Events Team

WICKER RITUAL

Every year we celebrate the Wicker Ritual together. On Friday and Saturday we invite you to put a small flammable offering in the Wicker. On Saturday, Corvus will go up in flames during the ritual. Let go of the old or make a wish for the future.

WICKER CORVUS DANCE ON THE CURRENT OF THE WIND

This year we meet the Wicker as Corvus, the messenger of our ancestors. Dancing on the currents of air, the bird of the gods brings messages from the Other World and of your subconscious.

Some will recognize the Corvus as the messenger of death. But death also brings change. Death brings rebirth. It is precisely from the darkest moments that light is born, just as light is born from the mother energy. From nothing, something arises. From death, life arises. From darkness, light arises.

When life seems dark, the Corvus offers sight and wisdom. He invites you to dance along the air. With his playful resilience, the Corvus shows you life upside down. With new perspectives, he teaches you to look again, to experience again and to live again. His third eye feeds your intuition and provides insight. Go back to the core, to the blackness, look into the world with the Corvus, and rediscover yourself.

The Corvus guides you in this transformation, the power of the individual, your own strength. He lets you sing and when your song joins that of the flock, its wisdom is passed on collectively. By being reborn as an individual, you will find your place in the whole again.

Dance on the wind with the Corvus, shake off your old feathers and look into the world with a new perspective.

PROGRAM

A lot is going on at Castlefest, and we can imagine it might be hard to choose sometimes. On the following pages, we share some highlights of our program. Looking for a complete overview per day? You will find QR codes in the timetable. By scanning these, you can see the full line-up per day on our website.

Heathen Gang

The spiritual village of the Heathen Gang has been part of Castlefest for years. All day long, you can join workshops and activities about paganism and spirituality. At 11.00h, the residents will open the day together, and at 15.00h, you are warmly invited to their daily drum circle. On Friday, there is a special Wicker Offering Ceremony. Experience the magic and open your heart during this special ritual. Will you join in?

Children's Kingdom

Young Castlefest adventurers can play and do crafts here all day. There are exciting adventures to experience. For the little ones and their parents, there is also a dedicated place to retreat from the festival hustle and bustle. And, of course, the traditional **Kiddy Battle** at 17.00h is not to be missed, where children battle against adults. Who will win this year?

Lifestyle Plaza

During a vibrant festival, you might forget to take some me-time. You can do this at the Lifestyle Plaza. Here you can get a new hairdo, a relaxing massage, unique henna tattoos or face art and make-up to complete your outfit.

LARP Village

Always wanted to experience what *Live Action Role Playing* is all about? In the LARP Village, you can join a quest and participate in various combat training sessions. This way, you can find out if this will become your new favourite hobby!

For the most beautiful Castlefest merchandise you can visit the official merchandise stand.

Discover our new items with the powerful Wicker Corvus design from Magic Within and the cool limited design by Bianca from Studio Epona.

So many new items: too many to mention here! We also have our limited stock from previous years. Are you missing a festival wristband or t-shirt from a previous edition? Come by soon!

Find us on the map:

Bodypaint Gathering

At the Bodypaint Gathering, various artists will show how they create the most beautiful works of art on the human body. The artworks will come to life right before your eyes! Every day has a theme. On Friday it's *Creatures of Nature*, on Saturday *Fairytales by the Brothers Grimm* and on Sunday *Mythology and Gods*.

Games Tent

Join adventures in this tent filled with fantasy games. Play fabulous board games and challenge your friends, or try a cooperative game together.

Medieval Spectacle

Travel back in time to the Middle Ages and meet various craftsmen in their encampments. On the tournament field, you can experience what it is like to fight with a sword, and in the show concept De Kooi, creatures from other other worlds battle each other. Spectacle guaranteed!

Balfolk

When watching other people dance beautiful and fun Balfolk dances, have you wondered how you can do this too? At Forest Stage, you can learn the first steps of these dances in a very accessible way. You can immediately put what you've learned into practice at one of the many folk performances this weekend.

Mead Tasting

Last year, we introduced the Mead Market. Here you can taste the finest meads from the Noordelijke Mederij (NL), Taranartos (BE), Klatovství Poutníci (CZ), and of course, our own Celtic Drinks. Each meadery will be happy to tell you more about their products, and the best thing: you can try everything!

If you are enthusiastic about one or more meads, you can order and pay for them on the spot. You will then receive a voucher to pick up your order at the parking when leaving Castlefest. Cheers!

Mead Pick-up Point

You can pick up your mead order at the parking lot during the following timeslots:

Friday	14.00 h - 01.00 h
Saturday	14.00 h - 01.00 h
Sunday	13.00 h - 22.00 h
